

1.0 BRIEF HISTORY

The Muslim Ladies Circle (a Non-Governmental Organisation) duly registered by the Corporate Affairs Commission (CAC) was founded in February 1978. It established Crescent nursery school in 1981, (on the plots of land granted by the Lagos State Government at 1004 Estate, Victoria Island, Lagos) – that was upgraded to Crescent nursery and primary School in 1988 - and extended its educational services to the Secondary school level by founding Crescent College on the same premises in 2006. The Schools' student population and patronage has evolved over time and cuts across the geographical zones of Nigeria and beyond thus making Crescent School's patronage all-inclusive.

To direct the affairs of the School at the highest echelon, the Muslim Ladies Circle from inception, constituted a Board of Governors comprising seasoned and well-respected technocrats from various fields of human endeavour,

The Inaugural Chairman of the Board was the late respected veteran journalist, Dr. Ismail Babalunde Jose (the former Chairman of Daily Times of Nigeria), followed by the late Alhaji A. O. G. Otiiti (Former Deputy Governor of Central Bank of Nigeria).

The current Board, under the Chairmanship of Dr. Abdullah Jibril Oyekan, MFR- a seasoned technocrat, has among its membership, Alhaja Lateefat M. Okunnu, OFR (former Lagos State Deputy Governor), Professor Khalid O. Adekoya (A Professor of Genetics, University of Lagos). Professor Ismail A. Musa (A Professor of Islamic Studies) to mention but a few.
